## PFLA Our Hero Award Recipients

### Brian Stroup, January

Brian has faced insurmountable obstacles all fall term with panache and grace. He has risen to the level of 'extreme' professional in just a short time in his position. Each day Brian brings a smile and a positive attitude to his work and to the UHDS department. He is a can-do member of our staff who takes setbacks in stride and works with others in the most productive ways! Brian is the consummate OSU grad - he is a recent Bachelors degree recipient (June, 2005 ) and consistently brings forward a professional image and attitude. Brian can often be seen doing his work in and around Weatherford hall and in other

UHDS facilities. He is a hard worker and a great role-model to residents and other professional staff. Brian approaches his work from a customer care perspective. He is centered and works to help the residents of Weatherford, the faculty and staff who partner with UHDS to make the Austin Entrepreneurial program a success. Brian approaches all with an ethic of care and consideration. He a quiet and strong leader who students respect. Brian has served heroically during the fall term. Brian's can-do positive attitude in all the tribulations and trials this term has been an inspiration to all!

### Stephen Meyer, February

Stephen is a Photographer with Information Services. He goes the extra mile in all that he does. One example is the Saturday when the Linux Kernal arrived at Corvallis airport. On his own time he arrived and even though the plane was late stayed all morning to capture the moment for us on film. There are countless examples where he personally strives to exceed expectations. Stephen's outstanding images speak for themselves from fine art to very candid event photos. The pride he takes is reflected in his work. He listens to the customer and attempts to meet and exceed the customer's expectations.

## Karel J. H. Murphy Professional Faculty Leadership and Service Award

This award recognizes a professional faculty member who has provided outstanding leadership and service throughout their career both within their Department and in programs and organizations across Oregon State University. The award also honors a legacy of providing ongoing, strategic, and progressive leadership and service among Professional Faculty and other OSU employees. This award was created by PFLA and the Dean of Engineering in order to memorialize the legacy of Karel J. Murphy, and recognizes professional faculty who unselfishly provide and model ongoing exceptional leadership and service to the OSU community. The award winner will be presented a plaque and a \$1000 check at University day. For more information on selection criteria and the nomination process please visit the following website.

## Monthly Meetings Update

**April 5, 2006**

“Campus Safety”

Please join us for our April 4th meeting. Jack Rogers, Director, Public Safety and Lt. Phil Zerzan, State Police Commander will be doing a presentation for the April 5th PFLA meeting on campus safety. There have been a number of thefts and other activities which make this a timely topic. Join us and hear these two seasoned folks provide us with some good tips and information.

**May 3, 2006**

“Enhancing Lives”

A motivational speech by Head Women’s Basketball Coach, LaVonda Wagner

Please join us for this compelling experience. LaVonda Wagner, formerly of Duke University, was named the fourth women’s basketball coach in Oregon State University history when she was hired on April 15, 2005. Says OSU Director of Athletics Bob De Carolis: “When you meet her, she lights up the room, and I felt within the first minute of the interview that we had someone special here.” Wagner has 17 years of experience on the basketball sidelines as an assistant coach, working at three NCAA Division I institutions (Duke University, University of Illinois, East Tennessee State). A native of Bristol, VA, Wagner spent the last three seasons (2002-05) as an assistant coach at Duke University, where she was heavily involved in recruiting, scouting, and working with the Blue Devils’ post players. So far at OSU she has brought our team to a 16-15 win/loss ratio compared to 6-23 in the previous year.
